

# Z1800 Series Stainless Steel Industrial Point Drainage

## Product Nomenclature

To ease selection and ordering, the Z1800 series utilizes a simple numbering convention to specify size, shape, and feature. Below we have the system defined for you in a graphic.

Example configurations are below:

- Z1800-6B-3BW    Floor Drain, Non-Adjustable    6" Round top, 3" Butt Weld Connection
- Z1840-6S-2NH    Cleanout    6" Square top, 2" No Hub Connection
- Z1810-8B-4BW    Floor Drain, Adjustable    8" Round top, 4" Butt Weld Connection
